

PREVENT-A-THON

Bring Darkness to Light & Help End Child Sexual Abuse

APRIL 17th-21st

During this week SCAN (Stop Child Abuse Now) will be offering FREE Stewards of Children training for agencies.

Stewards of Children teaches adults how to prevent, recognize and react responsibly to child sexual abuse. It's the only nationally distributed program proven to increase knowledge, improve attitudes, and change child protective behaviors.

The goal of this training is to diminish the incidence and impact of child sexual abuse and to raise awareness of the prevalence and consequences of child sexual abuse in our communities.

Together we can protect their only childhood.

To schedule a training for your agency contact Katelynn Jarrells at jarrellskb@vcu.edu for more information.
