

# ACE Interface Training

**MAY 4 | 2:00 - 3:30 PM**

This exciting and informative training presents information about the Adverse Childhood Experiences (ACE) Study, along with neurobiology that explains why ACEs have so much impact in people's lives, and what we can all do to dramatically improve health and resilience for this and future generations.

Facilitated by Keith Cartwright, Behavioral Health Wellness Consultant, Virginia Department of Behavioral Health and Developmental Services; and Dr. Connie Honsinger, Trauma Education Specialist, Chesterfield County Public Schools.
