

TRAUMA-INFORMED & HEALING CENTERED CONSULTATION

OUR SERVICE:

Three-phase consultation approach based on guidance from SAMHSA & Flourish Agenda

- ✓ Phase 1: Assess Organization
 - Review current policies/practices/environment to identify strengths and needs related to trauma-informed & healing centered principles.
- ✓ Phase 2: Provide Recommendations
 - Analyze data collected during Phase 1 and provide recommendations.
- ✓ Phase 3: Implement Changes
 - Support organization in moving toward more trauma-informed & healing centered policies/practices/environments by providing:
 - Training
 - Development/Facilitation of Trauma-Informed Leadership Team
 - 1:1 or Group Consultation
 - Policy Revision
 - Suggestions for Changes to Physical Spaces/Treatment Services
 - Process Groups for Staff
 - Assistance Addressing Barriers to Change

Rates: \$150/hour. Number of hours depends on the organization's goals & the scope of work. Contact Joey Feldman at jfeldman@grscan.com with questions. Scan the QR code to request a FREE 30-minute initial consultation.
